Mayor Gaynor sat on the bench of the Essex Market Court beside Magietrate Daniel Murphy to-day and watched the kaleidoscopic troubles of the east side pass before him in review. IN HOLDUP OF TOWN;

FLOYD ALLEN JAILED TRIES TO KILL HIMSELF

Outlaw Leader Arrested With Son and Another Man-Girl Fourth Victim of Shooting.

HILLSVILLE, Va., March 15,-The notorious Allen brothers and their band of Mountain desperadoes, who yesterday shot up the Carroll County Circuit Court in this town, killing Judge Thornton Massie, Commonwealth's Attorney Foster and Sheriff Lew Webb and wounding others, to-day defied the many bands of armed men hunting them and crossed the North Carolina line to Mount Airy, where they raided hardware store and secured a new supply of arms and ammunitions There is little thought that the outlaws will be taken alive, as they have declared they will fight to the death.

Their raid at Mount Airy, made early this morning, was quick and effective. The band galloped into town, terrorized any whom they met Girl's Uncle Gives Her \$10 and and made straight for the hardware store. There was no resistance to their holdup and they cleaned out the place. The outlaws need arms and ammunition more than anything else, and, taking all they could carry, they rode off to the mountains.
